**Prevráť látku naruby cez vynechanú medzeru.**

Turn the cloth inside out through the gap that you left.

10

**Pomocou ceruzky postupne vypchaj hlavu i telo.**

With the aid of a pencil, insert the filling little by little to stuff the head and body.

11

**Zahni lemy medzery dovnútra a medzeru zaši.**

Fold the hems of the opening inwards and saw the gap closed.

12

**Tvoj kamoš sloník je hotový!**

Your elephant friend is finished!

*Ako si ušít' vlastného sloníka?*

## NÁVOD

**1**

**Opatrne vystrihni všetky tvary.  
Nasleduj pritom plnú čiaru.**

Carefully cut out the shape, following the solid line.

**2**

**Oba kusy ulož na seba tak, aby predná a zadná strana smerovali k sebe.**

Place these two pieces such that the two front sides face each other.

**3**

**Ceruzkou obkresli bielu prerušovanú čiaru na zadnej strane látkových kusov.**

With a pencil, trace the white dotted line on the rear side of the cloth.

**4**

**Dodrž vyznačenú medzoru na jednej strane tela.**

Mark a gap at the side of the body.

**5**

**Pospájaj obo diely tela sloníka špendlíkmi, aby sa pri šití nehýbali.**

Hold the two parts together with pins so that the pieces do not move while sewing.

**6**

**Začni zošívať na jednej strane medzery.**

Start to sew from one end of the gap.

**7**

**Pokračuj v zošívaní rovnomernými stehmi. Pri šití nasleduj vyznačenú prerušovanú čiaru.**

Carry on sewing with continuous stitches. Sew along the dotted line that you traced.

**8**

**Ked' dosiahneš druhý koniec medzery, urob na niti uzlík. Medzera na boku zostane otvorená.**

Bind off at the other end of the gap, leaving the gap opening at the side.
